complete and final understanding on all bargainable issues
between the City and the PBA.

ARTICLE II

A. The PBA agrees that neither the PBA nor any person acting on its behalf will cause, authorize, engage in, sanction, assist or support, nor will any of its members take part in any strike, work stoppage, slow down, sick out, walk out or other job action, nor shall there be any individual action the purpose of which is to induce employees to engage in such activities against the City in any form.

B. Nothing contained in this Agreement shall be construed to eliminate or restrict the City in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach by the PBA or its members.

C. The City agrees not to cause, authorize, or engage in any lockout of employees covered under this Agreement.

D. The City and the PBA may modify this Agreement during its term, provided any modifications agreed to are put in writing and are signed by both parties.

ARTICLE IV

HOURS OF WORK AND OVERTIME

A. Hours of Work

1. Provided that there is no significant interference with a governmental policy decision, the hours of employment for all members of the bargaining unit who are or may be assigned to the Patrol Division and the police officers of the Traffic Bureau shall be as follows:

a. Four (4) consecutive days on duty followed by four (4) consecutive days off duty provided that no police officer will be scheduled to work more than ten and three quarter (10-3/4) hours in any one day, nor an average of more than thirty-seven and one-half (37-1/2) hours per week in any eight (8) consecutive week calendar period.

b. The foregoing hours of employment shall be changed back to the four (4) days on, two (2) days off, eight (8) hours per day work schedule, only if in the best interests of the City, as determined by the City, and after thirty (30) days prior written notice to the PBA.

c. Each police officer working in the Patrol Division and the police officers (excluding superior officers) of the Traffic Bureau shall be assigned, on the basis of rank seniority, preference to one (1) of five (5) daily shifts of ten and three quarter (10-3/4) hours each.

d. Probationary police officers will not be assigned permanently until after a minimum of six (6) months service in the Department.

e. In the event of an emergency as defined in Article IX, Section A, paragraph 3, officers may be assigned to any shift for the duration of the emergency.

f. Upon completing a temporary assignment, each officer will be returned to his original shift schedule.

2. The hours of employment for all bargaining unit members other than those assigned to the Patrol Division and the police officers of the Traffic Bureau during the year shall be as follows:

a. Four (4) consecutive days on duty followed by three (3) consecutive days off duty; provided that no police officer will be scheduled to work more than nine (9) hours twenty-three (23) minutes in any one day.

b. The foregoing hours of employment shall be changed back to the four (4) days on, two (2) days off, eight (8) hours per day work schedule, only if in the best interests of the City, as determined by the City, and after thirty (30) days prior written notice to the PBA. Additionally, each officer so assigned will receive eighteen (18) days off with pay annually; said days must be scheduled in advance, subject to the Chief's approval.

3. Except in emergency, as defined in Article IX, Section A, paragraph 3, hereof, no change or modification of an employee's regular scheduled tour of duty shall occur without seven (7) calendar days advance written notice to the officer of such change by the Chief or his designee. In keeping with the

past practice, the Detective and Investigative Bureaus may, without direct order and solely voluntarily, waive said notice of schedule change. This shall be done on an individual and case-by-case basis and only when dealing with a major crime or a specific narcotics operation.

4. In an emergency, as defined in Article IX, Section A, paragraph 3, hereof, the Chief or his designee shall be allowed to summon and keep on duty as many officers as either shall deem necessary to cope with said emergency.

B. Overtime

1. Overtime at the rate of one and one-half (1-1/2) times an officer's hourly rate of pay shall be paid to any officer who is required to work in excess of a regularly scheduled daily tour of duty.

2. Overtime at the rate of one and one-half (1-1/2) times an officer's hourly rate of pay shall be paid to any officer who is required to appear in court (Municipal, County, or Grand Jury), at the Court's request, and such appearance is in relation to his duty as an officer and outside of his scheduled hours of work. There shall be no overtime for civil court cases.

3. When an officer is held over to work beyond his regular scheduled daily tour of duty, each hour of overtime shall be paid as follows:

a. For the first hour only, the first ten (10) minutes worked shall be without additional compensation. For all time worked beyond ten (10) minutes, but not more than thirty

(30) minutes, one-half (1/2) hour of overtime compensation shall be paid. For all time worked beyond thirty (30) minutes, but not more than sixty (60) minutes, an additional one-half (1/2) hour of overtime compensation shall be paid.

b. For all time worked beyond the first hour as specified above, an officer shall be compensated with an additional one-half (1/2) hour overtime compensation for each fraction of one-half (1/2) hour worked beyond that first hour.

4. In the event that an officer is required to work on any of his scheduled holidays or called off vacation, he shall be entitled to overtime at a rate of one and one-half (1-1/2) times his hourly rate of pay plus his regular day's pay. If an officer is required to work on said days for less than two (2) hours, he shall be paid minimum of two (2) hours at his overtime rate in addition to his day's pay.

C. Call In Pay

1. Any officer having completed a tour of duty who is dismissed at the end thereof and recalled back to duty at a time not contiguous to the officer's regular tour of duty, shall receive a minimum of two (2) hours work or pay at his prevailing overtime rate. (For annual inspection officers will not receive overtime pay.)

2. The call in pay referred to in Section 1 hereof shall not apply in those instances where the employee is recalled to duty for the purpose of correcting errors in any report which the employee submitted during that tour of duty.

3. In cases of discipline, any officer called into work during their time off for purposes of being read or served disciplinary charges or for interrogation or investigation into a matter which deals with or could deal with disciplinary action, shall be paid Call In Pay and overtime compensation in accordance with this Article. However, while every effort will be made to conduct the disciplinary hearing during an officer's on duty hours, the overtime and Call In Pay benefits of this Article will not apply to an officer whose disciplinary hearing is conducted during an officer's off-duty hours.

D. Rules Governing Overtime

1. Except in emergency situations, overtime shall be rotated among those officers in their respective divisions listed on the overtime roster. Exceptions to the rotation may occur when the demands of the particular assignment are such as to require an employee possessing specific training or expertise. Officers on limited duty for medical reasons shall be excluded from the overtime list. Any officer refusing an assignment of overtime shall be charged as having worked and placed on the overtime roster accordingly. However, all officers may be required to work a reasonable amount of overtime.

2. Any officer working overtime shall record said amount of overtime and date of such overtime on a form specifically provided for the Department Head.

3. For the purpose of calculating an officer's overtime hourly rate of pay only, his Total Salary (See Article VIII, Section A, paragraph 4) salary shall be divided by 1950 hours (52 weeks times 37.5 hours). For the purpose of calculating an officer's daily vacation and sick leave rates of pay, his highest annual base salary shall be divided by two hundred sixty (260) days.

4. The City shall pay overtime in the second pay period following the date on which the overtime hours were worked.

5. For those officers who are called to duty on their time off for full dress inspection, two (2) hours compensatory time will be granted. Those officers held over for such full dress inspection shall receive equal time off for time held over.

E. Compensation For In-Service Training While Off-Duty

1. Off duty police officers attending in-service training conducted within the Linden Police Department shall receive compensatory time at the rate of one and one-half (1-1/2) times the officer's hourly rate of pay for each hour of training. Such training shall include: C.P.R., First Aid, Fire Arms, etc.

2. Off duty police officers attending in-service training at facilities other than the Linden Police Department and on any given day, which shall last for any time less than five (5) hours, shall receive compensatory time off equivalent to five and one-half (5-1/2) or four and three-quarter (4-3/4) hours, depending on the officer's regular work schedule. For

said training which lasts in time for more than five (5) hours, the officer shall receive compensatory time off equivalent to ten and three-quarters (10-3/4) or nine and one-half (9-1/2) hours, depending on the officer's regular work schedule. This formula shall be utilized for each and every day during which an officer is attending such training.

3. For in-service purposes only, except as stated above, time accumulated by police officers as compensation for time spent in training may be used within a reasonable period of time. It may be carried from one year to the next, provided it does not exceed a maximum of thirty-two and three-quarter (32-3/4) hours for officers assigned to a four (4) and four (4) work schedule, and twenty-eight (28) hours for officers assigned to a four (4) and three (3) work schedule. Concerning compensatory time carried over into the following year, the officer must show a good faith effort in attempting to take the accumulated time by the end of the first three (3) months of that following year. If the officer fails to do so, the accumulated time which was carried over from the previous year may be forfeited. If, however, the officer was not afforded the opportunity to take the time, then it shall continue to be carried.

4. In the event of termination of employment for any reason, payment for unused compensatory time remaining on the books shall be paid to the respective officer at the officer's hourly rate at the time of termination.
